City Attorney
P.O. Box 7207
Greenville, North Carolina 27835-7207

Dear Mr. Oast:

This refers to seven annexations (Ordinance Nos. 95-69 to 71, 95-85 to 87, and 95-110) and their designation to districts of the City of Greenville in Pitt County, North Carolina, submitted to the Attorney General pursuant to Section 5 of the Voting Rights Act, 42 U.S.C. 1973c. We received your submission on December 18, 1995; supplemental information was received on December 19, 1995.

The Attorney General does not interpose any objection to the specified changes. However, we note that Section 5 expressly provides that the failure of the Attorney General to object does not bar subsequent litigation to enjoin the enforcement of the changes. See the Procedures for the Administration of Section 5 (28 C.F.R. 51.41).

In addition, we are enclosing a copy of our November 15, 1995, preclearance letter regarding your prior submission of annexations because it appears you did not receive it.

Sincerely,

Deval L. Patrick
Assistant Attorney General

III. PARTIES

This Consent Order is entered by and among:

- A. The Division;
- B. The Seaboard Group II and its Members; and
- C. De Micromis Settlors.

IV. INTRODUCTION AND STATEMENT OF PURPOSE

This Consent Order is entered into for the purpose of providing each De Micromis Settlor the opportunity to resolve or satisfy all claims and liabilities for matters addressed herein.

V. DIVISION'S FINDINGS OF FACT

- A. Seaboard operated the Facility from approximately 1974 to 1989. From approximately 1974 to 1989 Seaboard received, treated, stored and disposed of hazardous substances at the Facility. Among other activities performed, Seaboard reclaimed spent solvents by distillation and blended high-BTU substances for sale as fuel.
- B. Seaboard obtained the hazardous substances it stored, treated or disposed of at the Facility, from a broad range of customers, many of whom are members of the Seaboard Group II.
- C. On or about November 15, 1989, Seaboard Chemical Corporation discontinued operations and filed for bankruptcy. A substantial quantity of hazardous substances remained at the Facility in drums, tanks and other structures.
- D. On or about May 29, 1992, the Department issued an Imminent Hazard Order, pursuant to N.C.G.S. § 130A-303, ordering all responsible parties to abate the hazard at the Facility. At the same time, the Division and the members of Seaboard Group I entered into an Administrative Order on Consent under which the members of Seaboard Group I agreed to undertake, perform and finance the Seaboard Group I Removal Action in accordance with the Work Plan for Surface Removal.

- E. By letter dated February 18, 1993 to the Trustee in Bankruptcy of Seaboard Chemical Corporation, the Division acknowledged completion of the Work Plan for Surface Removal.
- F. The City owns and formerly operated the Landfill which, beginning in 1974 and until October 1993, received solid waste for disposal under DHS Permit No. 41-01. The Landfill is located adjacent to the Facility.
- G. On or about January 4, 1991, the Division issued an Administrative Order to the City requiring it to address groundwater and surface water conditions at and in the vicinity of the Landfill. The City completed specific tasks and thereafter, in October, 1993, discontinued active operations at the Landfill.
- H. In March, 1995, the Division required the City to submit a plan for the next phase of groundwater contamination assessment at the Landfill. The Division encouraged the City to work with the Seaboard Group II to assess the contamination at both the Landfill and the Facility.
- I. Soil sampling at the Facility has revealed the presence of volatile organic compounds and semi-volatile organic compounds, including but not limited to acetone, 1,2-dichlorobenzene, 1,1-dichloroethene, 1,2-dichloroethene (total), methylene chloride, 1,1,1-trichloroethane, phenol, and naphthalene, bis-2 ethyl hexyl phthalate, and 1,2,4 trichlorobenzene.
- J. Groundwater sampling at the Facility has revealed the presence of volatile organic compounds and semi-volatile organic compounds, including but not limited to acetone, benzene, 1,1-dichloroethane, 1,2-dichloroethane, 1,1-dichloroethene, 1,2-dichloroethene (total), methylene chloride, 1,1,1-trichloroethane, phenol, and naphthalene.
- K. Each De Micromis Party arranged for the disposal or treatment of hazardous substances at the Facility in an amount that is minimal in comparison to other hazardous substances at the Facility.
- L. Further response action is required to address soil and groundwater contamination at and from the Facility.
- M. The Members of Seaboard Group II, the City and the Division have entered into an Administrative Order on Consent whereby the Members of Seaboard Group II and the City have agreed to perform a Remedial Investigation of the Facility and the Landfill pursuant to a Work Plan approved by the Division.

VI. DIVISION'S DETERMINATIONS

- A. Hazardous substances have been disposed of or treated at the Facility.
- B. Each De Micromis Party arranged for the disposal or treatment of hazardous substances at the Facility.
- C. There has been a release or threatened release of hazardous substances at the Facility.
- D. The amount of hazardous substances contributed to the Facility by each De Micromis Party is minimal in comparison to other hazardous substances at the Facility.

VII. ORDER

Based upon the administrative record for the Facility and the Statement of Facts and Determinations set forth above, and in consideration of the promises and covenants set forth herein, the following is hereby AGREED TO AND ORDERED.

VIII. PAYMENT

- A. Within 30 days of the effective date of this Consent Order, each De Micromis Settlor shall make the applicable De Micromis Buyout Payment(s) in the manner set forth in Subsection B below, or pay One Thousand Dollars (\$1,000.00), whichever is greater.
- B. 1. The De Micromis Buyout payment(s) set forth below shall be made by each De Micromis Settlor

X. CERTIFICATION OF DE MICROMIS SETTLORS

By signing this Consent Order, each De Micromis Settlor certifies, individually, that:

A. Prior to the signing of this Consent Order, it has conducted a reasonable, good faith search for documents, and at the time of signing this Consent Order will provide to the Seaboard Group II Executive Committee all information currently in its possession which relates in any way to the treatment or disposal of a hazardous substance, pollutant, or contaminant at or in connection with the Facility, including without limitation any laboratory analyses or other information which establishes the chemical composition of such hazardous substances, pollutants or contaminants; or it has executed the Certification on the signature page of this Consent Order that no such documents could be found.

B. It will not alter, mutilate, discard, destroy or otherwise dispose of any records, documents, or other information relating to its potential liability regarding the Facility; and

C. To the best of its knowledge and belief, the volume on which the De Micromis Buyout Payment is based, according to the Transaction Summary setting forth its allocation attached hereto as Appendix C, is correct and accurate.

XI. RELEASE AND COVENANT NOT TO SUE

In consideration of the payments that will be made by De Micromis Settlors under the terms of the Consent Order, and except as specifically provided in Section XII (Reservations of Rights), the State and the Seaboard Group II and its Members release and covenant not to sue or take administrative action against any De Micromis Settlor pursuant to Sections 106, 107 or 113 of CERCLA, 42 U.S.C. §§ 9606, 9607, or 9613, Section 7003 of the Resource Conservation and Recovery Act, 42 U.S.C. § 6973 or any State statute or common law relating to the Facility. With respect to past, present and future liability, this covenant not to sue shall take effect for each De Micromis Settlor after payment and clearance of all applicable De Micromis Buyout Payment(s) as required pursuant to Section VIII hereof. With respect to each De Micromis Settlor individually, this covenant not to sue is conditioned upon: (a) the satisfactory performance by the De Micromis Settlor of

all applicable obligations under this Consent Order; (b) the truthfulness of the certifications in Section X; and (c) not having arranged for disposal or treatment of more than 5,000 gallons of hazardous substances at the Facility, nor more than 2,000 gallons of chlorinated hydrocarbons. B. This Consent Order is without prejudice to the power and right of the State or the Seaboard Group II or its Members to institute judicial or administrative proceedings against any De Micromis Settlor respecting the Facility if information is discovered which indicates that such party does not qualify as a De Micromis Party. However, if information discovered subsequent to the certifications by the De Micromis Settlor pursuant to Section X of this Consent Order merely changes the volume of gallons attributed to a De Micromis Settlor in the Transaction Summary but does not make said party ineligible to qualify as a De Micromis Party, then no adjustment shall be made to that De Micromis Party's Buy-out Payment(s) unless a certification made by said Party under Section X was knowingly false.

XIII. COVENANT NOT TO SUE BY DE MICROMIS SETTLORS

A. De Micromis Settlors participating in this Consent Order covenant not to sue and agree not to assert any claims or causes of action against the State, the Members of the Seaboard Group II or their contractors or employees with respect to the Facility or this Consent Order, except as a counterclaim or crossclaim asserted in response to a claim brought pursuant to Section XII.B., above.

B. De Micromis Settlors covenant not to sue and agree not to assert any claims or causes of action against each other with regard to the Facility.

XIV. EFFECT OF SETTLEMENT/CONTRIBUTION PROTECTION

A. Nothing in this Consent Order shall be construed to create any rights in, or grant any cause of action to, any person not a party to this Consent Order. The State, Seaboard Group II and its Members and De Micromis Settlors each reserve any and all rights (including, but not limited to, any right to contribution), defenses, claims, demands, and causes of action which each party may have with respect to any matter, transaction, or occurrence relating in any way to the Facility against any person not a party hereto.

B. The Parties agree that each De Micromis Settlor is entitled, upon payment and clearance of the De Micromis Buyout Payment(s), to protection from contribution actions or claims to the full extent provided

by law under Sections 113(f)(2) and 122(g)(5) of CERCLA, 42 U.S.C. §§ 9613(f)(2) and 9622(g)(5) or other statutes, for matters addressed as defined in Section I-L of this Consent Order.

C. All other Administrative Orders on Consent pertaining to the Facility heretofore entered by a De Micromis Settlor shall be deemed to be satisfied by performance of this Consent Order and shall be of no further force and effect as to such De Micromis Settlor.

XV. PARTIES BOUND

This Consent Order shall apply to and be binding upon the State, Seaboard Group II and each of its Members, De Micromis Settlors, and their respective successors and assigns. Each signatory to this Consent Order certifies that he or she is authorized to enter into the terms and conditions of this Consent Order and to execute and bind legally the party represented by him or her.

XVI. INTEGRATION/APPENDICES

Further, the participation by any party in this Consent Order shall not be considered an admission of liability for any purpose.

XVIII. PUBLIC NOTICE AND EFFECTIVE DATE

- (3) For 60 days following the transfer of ownership of a registered motorboat during the registration period, the new owner may use the certificate of number of the prior owner as a temporary certificate of number pending receipt of his own certificate; provided, the certificate is endorsed in accordance with Subparagraph (a)(1) of this Rule. In the event the transfer occurs during the 60 days prior to expiration of the registration period, the original certificate will still be honored up to the full period of 60 days as a temporary certificate even though it would otherwise have expired. Where transfer of ownership from one individual to another occurs after the expiration of the registration period, the certificate of number may not be used by the new owner.

(b) Transfer of a Previously Registered Motorboat Through a Dealer

The request must state the date the vessel was acquired by the applicant. For a period not exceeding 60 days following the date of acquisition, the motorboat may be operated on the temporary certificate of number pending receipt of the regular certificate from the Wildlife Resources Commission.

To qualify as an agent for this purpose, such dealer or manufacturer must enter into a written agreement with the Wildlife Resources Commission by which he assumes responsibility for conducting the boat registration agency as a public service and in strict compliance with these regulations. Upon approval and ratification of such agreement by the Executive Director or his designee, the agent will be furnished with a supply of the temporary certificate forms together with forms for use in applying for the regular certificate of motorboat number. - (A) The temporary certificates of number shall be issued without charge.
- (B) There shall be no substitute for the printed form of certificate supplied by the Wildlife Resources Commission. No agent shall issue any other writing purporting to authorize the use of an unregistered motorboat.
- (C) The certificates shall be issued consecutively in the order in which they are serially numbered, beginning with the lowest number.
- (D) When the vessel has been acquired from a source other than the agent, a temporary certificate of number shall not be issued unless and until the owner produces a bill of sale or other memorandum of transfer which identifies the vessel and which has been dated, signed and acknowledged by the transferor before a notary public or other officer authorized to take acknowledgments.
- (E) All information called for on the temporary certificate of number shall be properly entered in the spaces provided, including the date of expiration of the certificate which shall be the 60th day following the date of acquisition of the vessel by the owner.
- (F) The temporary certificate must be signed by the owner. The agent shall deliver to the owner Part 1 of the certificate and a form with which to apply for the regular certificate of number.
- (G) Within 30 days following the issuance of a temporary certificate of number, the agent shall transmit Part 2 thereof to the Wildlife Resources Commission at the address indicated in Rule .0102(a)(5) of this Section. If a bill of sale or other memorandum of transfer has been required, the original or a copy thereof shall be attached to the Commission's copy of the temporary certificate of number.
- (H) The agent shall retain Part 3 of the temporary certificate of number for a period of at least one year and shall permit inspection thereof during business hours by any law enforcement officer or authorized personnel of the Commission.
- (I) No agent shall knowingly issue more than one temporary certificate of number for the same vessel during any calendar year.

- (J) An agent may make application for a certificate of number or for a registration on behalf of a new owner to whom a temporary certificate of number has been issued provided the application and fee is submitted to the Wildlife Resources Commission within 10 days of the date of issuance of the temporary certificate.
- (K) Upon termination of a boat registration agency which issues temporary certificates of motorboat number, all copies (Parts 3) of such certificates theretofore issued and all unused forms for temporary certificates of number then remaining in possession of the terminated agency shall be delivered to the Wildlife Resources Commission or to a Commission employee.
- (4) A boat registration agency which issues temporary certificates of motorboat number, being a mutual and voluntary undertaking, may be terminated at any time, with or without cause, by either party thereto by giving a notice of such termination to the other party.

TITLE 25 - OFFICE OF STATE PERSONNEL

CHAPTER 1 - OFFICE OF STATE PERSONNEL

SUBCHAPTER 1J - EMPLOYEE RELATIONS

SECTION .0600 - DISCIPLINARY ACTION: SUSPENSION AND DISMISSAL

.0613 PROCEDURAL REQUIREMENTS

The following procedural requirements ~~must shall~~ be followed to issue disciplinary action under this Section:

- (1) WRITTEN WARNING - to issue a written warning to an employee, a supervisor ~~must shall~~ issue the employee a written warning, detailing the matters referenced in Rule .0610(a)(1) - (5) of this Section and including any applicable appeal rights.
- (2) DISCIPLINARY SUSPENSION WITHOUT PAY - to place an employee on disciplinary suspension without pay, a supervisor ~~must shall~~ comply with the following procedural requirements:
 - (a) In matters of unsatisfactory job performance, insure that the employee has received at least one prior disciplinary action. In matters of grossly inefficient job performance or unacceptable personal conduct there are no pre-conditions so an employee may be suspended without pay for a current incident of grossly inefficient performance or unacceptable misconduct;
 - (b) Schedule and conduct a pre-suspension conference. Advance oral or written notice of the appropriate pre-disciplinary conference ~~must shall~~ be given to the employee of the time, location, and the issue for which discipline has been recommended. The amount of advance notice shall be as much as is practical under the circumstances;
 - (c) Furnish the employee a statement in writing setting forth the specific acts or omissions that are the reasons for the suspension;
 - (d) Advise the employee of any applicable appeal rights in the document effecting the suspension.
- (3) DEMOTION - to demote an employee, a supervisor ~~must shall~~ comply with the following procedural requirements:
 - (a) In matters of unsatisfactory job performance, insure that the employee has received at least one prior disciplinary action.
 - (b) In matters of grossly inefficient job performance or unacceptable personal conduct, there is no requirement for previous disciplinary action, so an employee may be demoted for a current incident of grossly inefficient job performance or unacceptable personal conduct without any prior disciplinary action;
 - (c) Advance oral or written notice of the appropriate pre-disciplinary conference ~~must shall~~ be given to the employee of the time, location, and the issue for which discipline has been recommended. The amount of advance notice shall be as much as is practical under the circumstances.
 - (d) An employee who is demoted ~~must shall~~ receive written notice of the specific acts or omissions that are the reasons for the demotion;
 - (e) An employee ~~must shall~~ be advised of how and to what extent the demotion will affect the employee's salary rate or pay grade; and
 - (f) The employee ~~must shall~~ also be advised of any applicable appeal rights in the document effecting the demotion.
- (4) DISMISSAL - Before an employee may be dismissed, a supervisor ~~must shall~~ comply with the following procedural requirements:
 - (a) The Supervisor recommending dismissal shall discuss the recommendation with appropriate agency management and receive management's authorization to hold a pre-dismissal conference with the employee. The person conducting the pre-dismissal conference ~~must shall~~ have the authority to recommend or to decide what, if any disciplinary action shall be imposed on the employee.
 - (b) The Supervisor or designated management representative shall schedule a pre-dismissal conference with the employee.
 - (c) Advance written notice of the pre-dismissal conference ~~must shall~~ be given to the employee of the time, location, and the issue for which dismissal has been recommended. The amount of advance notice shall be as much as is practical under the circumstances.

(d) The Supervisor or designated management representative shall conduct a pre-dismissal conference with the employee, limiting attendance to the employee and the person conducting the conference; a second management representative may be present at management's discretion. The purpose of the pre-dismissal conference is shall be to review the recommendation for dismissal with the affected employee and to listen to and to consider any information put forth by the employee, in order to insure that a dismissal decision is sound and not based on misinformation or mistake. Security personnel may be present when, in the discretion of the person conducting the conference, a need for security exists. No attorneys representing either side may attend the conference.

(e) In the conference, the Supervisor shall give the employee oral or written notice of the recommendation for dismissal, including specific reasons for the proposed dismissal and a summary of the information supporting that recommendation. The employee shall have an opportunity to respond to the proposed dismissal, to refute information supporting the recommended dismissal action and to offer information or arguments in support of the employee's position. Every effort shall be made by the Supervisor or the designated management representative to assure that the employee has had a full opportunity to set forth any available information in opposition to the recommendation to dismiss prior to the end of the conference. This opportunity ~~does~~ shall not include the right to present witnesses.

(f) Following the conference, management shall review and consider the response of the employee and reach a decision on the proposed recommendation. If management's decision is to dismiss the employee, a written letter of dismissal containing the specific reasons for dismissal, the effective date of the dismissal and the employee's appeal rights shall be issued to the employee in person or by certified mail, return receipt requested, to the last known address of the employee. To minimize the risk of dismissal upon erroneous information, and to allow time following the conference for management to review all necessary information, the decision to dismiss should not be communicated to the employee in accordance with this Paragraph, prior to the beginning of the next business day following the conclusion of the pre-dismissal conference or after the end of the second business day following the completion of the pre-dismissal conference.

(g) The effective date of a dismissal for unsatisfactory job performance shall be determined by management. A career employee who is dismissed for unsatisfactory job performance may, at management's discretion, be given up to two weeks' working notice of his dismissal. Instead of providing up to two weeks' working notice and at the discretion of management, an employee may be given up to two weeks' pay in lieu of the working notice. Such working notice or pay in lieu of notice is applicable only to dismissals for unsatisfactory job performance. The effective date of the dismissal shall not be earlier than the letter of dismissal nor more than 14 calendar days after the notice of dismissal.

STATEMENT OF CASE

Upon the Motion of the Respondent, this matter came on for hearing in a bifurcated manner. The issue of whether or not Petitioner received adequate notice and thereby did not timely file her Petition was heard on November 17, 1995. The undersigned determined that the matter should be brought on for hearing on the second issue but reserved ruling on the first issue until the time of the Recommended Decision.

Based upon careful consideration of the testimony and evidence presented at the hearing, the documents and exhibits received into evidence and the entire record in this proceeding, the undersigned makes the following:

FINDINGS OF FACT

1. Petitioner was employed by the Guilford County School System from April of 1975 until her resignation on December 31, 1991.
2. From 1975 through 1980, Petitioner was a Special Education Classroom Teacher. From 1980 until her resignation in 1991, Petitioner was an Assistant Principal.
3. Petitioner has a Masters Degree in education.
4. At some time prior to the 90/91 academic school year, Petitioner had an opportunity to attend Iowa State University in their Doctoral Program in the School of Education.
5. Petitioner wrote to her supervisor and requested a leave of absence without pay for the academic year 90/91, which request was granted.
6. At all times relevant to this matter, Stanley Wayne Morgan was the Assistant Superintendent for Personnel with the Guilford County School System.
7. At all times relevant to this matter Ernest Wayne Trogden was the Superintendent of the Guilford County School System.
8. By the summer of 1991, Petitioner had completed the class work required for her Doctorate. She had not, however, completed the work required for her dissertation.
9. On June 10, 1991, Mr. Morgan wrote to Petitioner reminding her that her leave of absence which extended through June 30, 1991, was about to expire and that she was expected to return to the Guilford County Schools.
10. On June 21, 1991, Superintendent Trogden sent a form letter to Petitioner notifying her, as well as many other employees of the school system, that a budget cutback was about to cause reduction in contracts, reductions in salaries, and other changes necessary to meet the reduced budget.
11. On June 27, 1991, Petitioner wrote to Mr. Morgan requesting that her educational leave be extended to August 1, 1992, so that she could continue her work at Iowa State University.
12. Petitioner's current approved leave was to expire three days after the above letter was written.
13. On July 2, 1991, Mr. Morgan wrote to Petitioner telling her that it was the practice of the school system to limit educational leaves to no more than one year. He denied Petitioner's request and reminded her that she was expected to return to the Guilford County School System for the 91/92 year.
14. It is a regulation of the school system that teachers must resign their contract more than 30 days before they leave their employment. Since the reporting date for teachers in 1991 was August 12, Mr. Morgan reminded Petitioner that if she was considering resignation she would be required to resign before July 12.

15. On July 25, 1991, Petitioner wrote Mr. Morgan telling him that she had been surprised by the denial of the request for an extension of her leave. She noted that she had been "led to believe that the extension was a matter of justifying my standing in the graduate school and putting the request in writing." She further noted in that letter that she understood past practices of the system allowed extensions of educational leave.

16. Petitioner noted that based upon a conversation which she had allegedly had with Mr. Morgan, she understood that extensions of leave were usually granted and that any benefits such as retirement, sick leave or vacation, would be held intact.

17. In that letter Petitioner also noted that she was disappointed that the school system was not supporting her and that in the event of a forced resignation she wanted payment for her annual leave and sick leave. She further noted that she had no recourse except to return to her position in the Guilford County Schools.

18. On July 29, 1991, Mr. Morgan again wrote to Petitioner informing her that he had reconsidered her request for extension of her leave and was again denying that request. He noted further that any resignation decision was hers to make and if she chose to resign and did so no later than August 5, 1991, "No action will be taken to revoke your North Carolina Teaching Certificate."

19. On August 7, 1991, Mr. Morgan again wrote Petitioner welcoming her back to the Guilford County School System and telling her that her assignment was at Southwest High School as a teacher of exceptional children, effective August 12, 1991.

20. Petitioner returned to the school system and reported to work on August 12, 1991. The students were not to begin school until later that month. After one day at work, Petitioner did not return.

21. Petitioner testified that her stress level was extremely high and that when she returned to North Carolina she could not get the people renting her house to leave. Further, she had a 13 year old daughter who was still in Iowa and whose school placement was not established.

22. Petitioner subsequently visited Dr. Meyers Powell, Jr., a psychiatrist, for treatment of stress. On August 14, 1991, Dr. Powell wrote a note stating that he had examined Ms. Suggs and recommended that she take a 30-day medical leave of absence from her usual work duties.

23. On August 15, 1991, Petitioner wrote a similar note requesting that she be granted a 30-day medical leave of absence.

24. Mr. Morgan communicated to Petitioner that he would require an additional note from the doctor giving further information about her medical condition and why a 30-day medical leave was necessary.

25. After Petitioner did not return to work, Mr. Morgan was unable to locate Petitioner. He called the Iowa State Registrar and learned that Petitioner was still enrolled in the graduate program. The Registrar also informed Mr. Morgan that Petitioner had started her Fall semester on August 26, 1991.

26. Mr. Morgan reported this to Superintendent Trogden. Subsequently, Mr. Morgan attempted to call Ms. Suggs in Iowa and spoke to someone named "Laura" who informed him that the Petitioner was in a meeting and would return his call.

27. Mr. Morgan called Iowa State again and talked to someone named "Chris" who said that he had not seen Ms. Suggs that morning. Subsequently, Mr. Morgan once again called Iowa State and spoke to Dr. Jim Sweeney who is involved in the graduate program in education. Dr. Sweeney knew Ms. Suggs and said that he would talk to her that evening.

28. On September 3, 1991, Mr. Morgan wrote to Dr. Powell and asked for further information concerning Ms. Suggs' request for leave of absence and her medical condition. Dr. Powell did not answer that letter.

29. On September 5, 1991 at 11:35 p.m., Mr. Morgan communicated with Ms. Suggs by telephone. She informed him that she was still in graduate school at Iowa State and said she was surprised that her doctor had not been in further contact with Mr. Morgan. Ms. Suggs told Mr. Morgan that she would call her doctor and have him contact the school system.

30. On September 10, 1991, Mr. Morgan wrote to Ms. Suggs, sending her the sick leave policy and informing her that her request for sick leave was disapproved and she was considered absent without leave. He further noted that it was her responsibility to provide medical documentation to justify her request for sick leave.

31. If Petitioner had resigned her position before returning to work, she would have forfeited her accumulated sick leave. If she returned and then took sick leave, she would be receiving salary during the period of her absence due to illness.

32. On September 19, 1991, Mr. Morgan again wrote to Ms. Suggs, telling her that she must provide documentation concerning her request for sick leave and that she is considered absent without leave in violation of school board policies and State law. He further noted that Petitioner was required to attend a meeting in Mr. Morgan's office on Tuesday morning, September 24, 1991 at 9:00 a.m. to fully explain her absence.

33. On September 24, 1991, Petitioner faxed a letter to Mr. Morgan informing him that she would be unable to attend the meeting. She requested that another meeting be arranged at a more convenient time.

34. On September 25, 1991, Mr. Morgan again called Iowa State and was told by "Chris" that Ms. Suggs was in a workshop but he would leave a message for her. Mr. Morgan called again on October 4 and 7, but was unable to get through to Ms. Suggs.

35. Mr. Morgan then wrote Petitioner another letter which was sent by federal express mail. He reiterated that she was absent without leave, that her sick leave had been disapproved, that she had not appeared for the original meeting, and that she had not yet heard from her doctor. Mr. Morgan also told Petitioner that he had arranged a meeting for October 17 and noted "I am deeply disturbed by your lack of attention to this matter and hope that we can clarify your status..."

36. On October 15, 1991, Ms. Suggs wrote to Mr. Morgan informing him that the October 17, 1991 meeting was arranged with too short notice and that she would be unable to attend. She further informed him that she had retained an attorney and would arrange for her attorney to get information from Dr. Powell.

37. On October 17, 1991, Mr. Morgan noted on his memo forms that he attempted to call Petitioner in Iowa at 2:31 p.m. and received no answer, at 3:32 p.m. and got a busy signal, at 3:43 p.m. and received no answer, and 3:57 p.m. and received no answer.

38. On October 21, 1991, Mr. Morgan again wrote to Petitioner noting that he has been unable to reach her. He explained many of Ms. Suggs' concerns in that letter and noted that she had not been communicating adequately. He reiterated that six weeks had passed since the denial of her sick leave request and she had failed to provide any type of meaningful response to his request for explanation. He noted that she had missed two scheduled meetings and reminded her that it was her duty to provide documentation for her sick leave. In that letter Mr. Morgan also stated "I am dumbfounded by your inattention to this matter and your willingness to play games with the procedures and jeopardize your career." He further noted that he had been forced to employ a substitute teacher for her classes.

39. On October 22, 1991, Superintendent Trogden wrote Petitioner at her Iowa address. In that letter he notified Petitioner of his intent to recommend her dismissal and he listed six grounds upon which he would base the dismissal. Superintendent Trogden noted Petitioner's unresponsiveness and absence without leave. He further suspended Petitioner as of the date of the letter and provided her with a current list of the members of the Professional Review Committee, informing her that she may request a review of his recommendation by that committee.

40. Petitioner requested the review and on November 26, 1991, John Betterton, the Chairman of the Professional Review Committee Panel, wrote a letter to Superintendent Trogden and to Petitioner. In that letter he gave the names

of the Panel members and stated that the Panel will hold a hearing in Greensboro, North Carolina on December 12, 1991 at 9:00 a.m. in the Guilford County Schools, 120 Franklin Boulevard, Greensboro, North Carolina. This letter was sent certified, return receipt requested.

41. Neither Petitioner nor her attorney appeared at the review.

42. On December 12, 1991, Mr. Betterton again wrote a certified, return receipt requested letter to Superintendent Trogden and to the Petitioner. In that letter he stated that the Review Panel had met and that Superintendent Trogden and his representative, Richard A. Schwartz, were present but Petitioner was not present nor was her attorney.

43. Mr. Betterton also stated in that letter that the Panel had decided to uphold each of the six grounds for which Superintendent Trogden had dismissed the Petitioner.

44. On December 24, 1991, Superintendent Trogden wrote to Petitioner enclosing a copy of the above-described report and informing her that he intended to submit a written recommendation for her dismissal to the Guilford County Board of Education. He further stated that Petitioner could resign if she chose to.

45. Further, in that letter, Superintendent Trogden stated:

I urge you to think very carefully about what you are doing and the course of action you have chosen. Your lack of response and your irresponsibility in connection with your duties in this case (particularly given your refusal to appear before the Professional Review Committee Panel, after you had requested such a hearing in the first place) are difficult to understand and probably will be damaging to your professional aspirations and career. I look forward to hearing from you after your receipt of this letter...

46. On December 31, 1991, Petitioner faxed a letter to Superintendent Trogden resigning her position.

47. In that letter she stated that he had "repeatedly attempted to negotiate a settlement over my employment situation..." She further stated, in pertinent part:

The experience since June 1991 has been stressful and harrowing, not to mention time consuming and expensive. It is my feeling that you have not only attempted to ruin my professional record with your school system by placing damaging, erroneous and negative information in my personnel file, but you have also actively attempted to undermine my efforts to acquire a graduate degree at Iowa State University. Your telephone calls to the Educational Administration Department (my major professor, other graduate students, and administrative staff) forced me to withdraw from all but one of my classes due to the pressure and persistent harassment. You have also hampered my attempts to get much needed medical attention for the emotional state created by your harassment of both my therapist and myself. You also contrived charges against me for these attempts despite the fact I had required and requested documentation. **I also had earned in my previous years as an employee with the school system in excess of four months of accumulated sick leave to enable me to get the medical therapy needed.**

48. On January 27, 1992, Superintendent Trogden wrote Petitioner a lengthy letter, certified mail, return receipt requested. In that letter Superintendent Trogden responded to the above letter of Petitioner and to each of the allegations included therein.

49. Subsequently, the Guilford County School Board wrote to the State Board of Education recommending the revocation of Petitioner's teaching certificate.

50. Although local School Boards may hire and fire teachers, only the State Board of Education (SBE) has authority over a teacher's teaching certificate.

51. The Department of Public Instruction (DPI) handles the administrative preparation of revocations and

suspensions which are ultimately presented to the State Board of Education for the decision.

52. Prior to returning to North Carolina, Petitioner received letters from Mr. Morgan and Superintendent Trogden at her Ames, Iowa address.

53. Subsequent to leaving North Carolina in August of 1991, Petitioner received letters from Mr. Morgan and Superintendent Trogden at her address in Ames, Iowa.

54. Earlier, in July of 1991, Petitioner called the North Carolina Department of Public Instruction (DPI) to inquire into her retirement and sick leave status.

55. David Holzkom, DPI personnel, responded to that inquiry by writing to Petitioner at her Ames, Iowa address.

56. On August 20, 1993, DPI wrote Petitioner notifying her that a revocation would be considered by the SBE and giving her 60 days to appeal.

57. This letter was sent to Petitioner's Greensboro address.

58. Although DPI personnel had communicated with Petitioner in Iowa, the Personnel Section and the Suspension/Revocation Section do not share files.

59. The letter was sent certified, return receipt requested, and the return of service indicated that it had not been received.

60. DPI did not further seek to determine Petitioner's correct mailing address.

61. There is no statutory requirement that teachers inform DPI/SBE of their current address.

62. 16 NCAC 6C .0312 provides that the SBE may review written charges against a teacher and determine whether the teacher's certificate should be suspended or revoked. If the SBE determines that the charges constitute grounds for suspension or revocation, it must provide the teacher with a copy of the written charges and notify the teacher that it will revoke the teacher's certificate unless the teacher within 30 days of receipt of notice initiates administrative proceedings under Article 3, Chapter 150B of the General Statutes.

63. G.S. 150B-23(f) provides that notice may be sent "to the last known address" provided to the agency.

Based upon the above Findings of Fact, the undersigned makes the following:

CONCLUSIONS OF LAW

Issue One: Did Petitioner receive adequate notice of the revocation of her certificate such as to toll the statute of limitations?

1. The Guilford County School Board does not have the authority to revoke a teacher's certificate. It does, however, have the authority to recommend revocation to the DPI/SBE. There is, therefore, a shared responsibility and, for the purpose of knowledge or imputed knowledge, the definition of "agency" under G.S. 150B-23(F) becomes unclear.

Although Petitioner did not inform SBE of her current address, the Guilford County School System not only knew Petitioner's address, but corresponded extensively with her at her Iowa address. Additionally, the Personnel Section of DPI knew Petitioner's Iowa address and wrote her there.

While Respondent asserts that teachers must be responsible for notifying them of their current address, there is no law or rule requiring this. Without such rule or statute, one must look to the surrounding circumstances to determine this issue.

In the limited circumstances of this case, where there was extensive communication between a teacher and the local school board, a recommendation for revocation which was based to a large extent on Petitioner's refusal to leave Iowa, communication between Petitioner and DPI, and a dismissal which was also based upon Petitioner's return to Iowa and her "AWOL" status, it is concluded that the "agency" knew, or should have known, of Petitioner's whereabouts and could have accomplished notification.

2. Based upon the above, it is concluded that Petitioner did not receive Notice and the time limitation for filing an appeal had not run at the time of the filing of her petition.

Issue Two: Did the Respondent err in revoking Petitioner's teaching certificate?

3. N.C. Gen. Stat. 115C-299 and the cases which were promulgated thereunder, provide that the employment of teachers is within the authority of the local school board at the recommendation of the Superintendent.

4. N.C. Gen. Stat. 115C-296 provides that the State Board of Education shall have entire control of certifying all applicants for teaching positions in all public, elementary and high schools of North Carolina.

5. Petitioner's behavior throughout this dispute was unacceptable. Petitioner wished to complete her graduate studies. When her supervisors refused her request for extended leave and her request for sick leave, she was obliged to accept their decision or resign. She did neither.

If Petitioner had accepted the decision, the dispute, of course, would have ended. If she resigned her teaching position in North Carolina, the local Board could replace her before school started.

Petitioner's AWOL status, especially after school had started, was reprehensible.

Petitioner's failure to appear at the meetings set by Mr. Morgan and at the Peer Review Committee, is inexcusable.

It is beyond question that Petitioner's behavior was unacceptable and caused harm to the administrators, the school, and the students, who returned to find a substitute teacher in charge of their class.

6. It is therefore concluded that the State Board of Education did not err in revoking the Petitioner's teaching certificate.

Based upon the above Conclusions of Law, the undersigned makes the following:

RECOMMENDATION

That the revocation of Petitioner's teaching certificate by the State Board of Education be **AFFIRMED**.

RECOMMENDED DECISION

This matter was heard before Fred G. Morrison Jr., Senior Administrative Law Judge, on January 29 and 30, 1996, in Raleigh, North Carolina. Following the hearing, the parties filed proposed decisions.

APPEARANCES

FOR PETITIONER: Marvin Schiller
Attorney at Law
Raleigh, North Carolina

FOR RESPONDENT: Hilda Burnett-Baker
Special Deputy Attorney General
Raleigh, North Carolina

ISSUE

Whether Respondent had just cause (procedurally and substantively) to terminate Petitioner's employment as a Compliance Safety and Health Officer.

Based upon competent evidence admitted at the hearing, the undersigned Administrative Law Judge makes the following:

FINDINGS OF FACT

1. Kevin P. Kolbe, Sr., Petitioner, was employed as an OSHA Compliance Safety and Health Officer by the North Carolina Department of Labor, Respondent, from March 2, 1992, until March 7, 1995, when he was discharged from employment. Petitioner was receiving an annual salary of \$30,248 and was at Pay Grade 71 when dismissed.

2. On November 5, 1993, Petitioner received an oral warning concerning his performance in completing training as a Compliance Safety and Health Officer. At that time, his deficiencies were discussed and plans were made to work on improving them during his continued employment.

3. On May 25, 1994, Tim Childers, Petitioner's supervisor, issued a written warning to Petitioner for unsatisfactory work performance, noting that since the oral warning, Petitioner's performance had not improved with regards to opening and closing conferences, following inspection procedures, and documenting hazards pursuant to policy. Petitioner was informed that his work would be observed prior to another evaluation on July 8, 1994 (this date was extended due to personal circumstances beyond Petitioner's control). He received weekly coaching and feedback.

4. On Thursday, January 26, 1995, Childers issued a final written warning to Petitioner for unsatisfactory work performance, noting that Petitioner had shown only slight improvement since the written warning. Childers wrote that his observations convinced him that Petitioner still could not conduct independent inspection activities in accordance with policies and procedures. Petitioner was informed that during the next assessment period, he would be required to conduct an

inspection with Childers as the lead Compliance Safety and Health Officer to determine Petitioner's progress in completing his job training. It was noted that this inspection would take place not later than February 10, 1995, and he was told what was expected of him.

5. On Tuesday, January 31, 1995, Petitioner, accompanied by Childers, conducted an OSHA inspection of Office Specialists of Massachusetts in Cary, North Carolina. Childers concluded that the inspection was unsatisfactorily performed by Petitioner and dismissed Petitioner by letter dated February 21, 1995, due to Petitioner's unsatisfactory job performance on January 31, 1995.

6. Petitioner's deficiencies cited in the dismissal letter were as follows: failing to properly obtain permission to conduct the inspection, not properly documenting hazards to warrant issuing a citation on three items, and not effectively communicating with the employer and employees.

7. Petitioner testified that he was not allowed to go on as many supervised safety inspections as other trainees. Respondent countered that Petitioner received proper training, counseling, and inspection opportunities for three years, which exceeded the norm for new officers.

Based upon the foregoing Findings of Fact, the Administrative Law Judge makes the following:

CONCLUSIONS OF LAW

1. Petitioner, Kevin P. Kolbe, Sr., was a career State employee at the time of his dismissal. Because he has alleged that Respondent lacked just cause for his dismissal, the Office of Administrative Hearings has jurisdiction to hear his appeal and issue a recommendation to the State Personnel Commission which shall make the final decision in the matter. G.S. 126-35, 126-37, 126-39, 150B-23, and 150B-36.

2. G.S. 126-35 provides in part, "that no career State employee subject to the State Personnel Act shall be dismissed, except for just cause." Where just cause is an issue, Respondent bears the ultimate burden of persuasion. A just cause issue carries both substantive and procedural questions. Causes for dismissal fall into two categories: (1) causes relating to unsatisfactory job performance, and (2) causes relating to unacceptable personal conduct. No prior warnings are required under (2).

3. In Jones v. Dep't of Human Resources, 300 N.C. 690, 691 (1980), the Supreme Court of North Carolina held:

Prior to dismissal for causes relating to performance of duties, a permanent State employee is entitled to three separate warnings that his performance is unsatisfactory. He must receive: (1) an oral warning explaining how he is not meeting the job's requirements; (2) a second oral warning outlining his unsatisfactory performance with a follow-up letter reviewing the points covered by the oral warning; (3) a final written warning setting forth in numerical order the specific acts or omissions that are the reasons for the disciplinary action.

4. 25 NCAC 1J .0605(a), entitled "Dismissal for Unsatisfactory Performance of Duties" provides:

The intent of this Section is to assist and promote improved employee performance, rather than to punish.

5. Respondent complied with the law requiring three separate warnings to Petitioner that his job performance was unsatisfactory. Such warnings were intended to bring about improvements in Petitioner's performance within a reasonable period of time following each warning.

6. The passage of only two working days from the date of the final written warning until the date Petitioner was dismissed neither provided him with a reasonable opportunity to improve his work performance nor promoted his improved performance as intended by the disciplinary policy contained in the North Carolina Administrative Code. This constitutes a failure to follow proper procedure in terminating a career State employee, thus a lack of just cause.

Based on the foregoing Findings of Fact and Conclusions of Law, the Administrative Law Judge makes the following:

RECOMMENDED DECISION

That the dismissal of Petitioner be reversed and he be reinstated under a final written warning for unacceptable job performance, with at least a minimum period of thirty days to improve his performance to the level expected of a Compliance Safety and Health Officer.

ORDER

It is hereby ordered that the agency serve a copy of the final decision on the Office of Administrative Hearings, P.O. Drawer 27447, Raleigh, N.C. 27611-7447, in accordance with North Carolina General Statute 150B-36(b).

**FINAL DECISION
DISMISSING CONTESTED CASE
LACK OF JURISDICTION**

Petitioner filed a *pro se* petition to commence this contested case on January 5, 1996. Petitioner alleged in his petition that the agency failed to act as required by law or rule in declining to compensate him for legal expenses incurred as the result of his discharge appeal.

On February 16, 1996, Respondent filed a motion to dismiss under G.S. 1A-1 Rules 12(b)(1), (2), and (6), arguing that Petitioner's attempt to recover legal expenses was not cognizable under G.S. § 126-34.1.

Petitioner, in his Prehearing Statement, received by Respondent on February 23, 1996, maintains that he should be compensated for legal expenses incurred in his internal grievance appeal and unemployment appeal hearing, and he relies upon a Recommendation for Summary Judgment in the case of Roberta Jones v. UNC, 94 OSP 1719, by Sammie Chess, Jr., Administrative Law Judge.

Petitioner's petition is not cognizable under G.S. § 126-34.1, and is barred by the doctrine of sovereign immunity. Therefore, Petitioner has failed to invoke the jurisdiction of the Office of Administrative Hearings under Chapter 126 of the General Statutes of North Carolina. Moreover, Petitioner's reliance upon Roberta Jones v. UNC is misplaced as this recommended decision predates G.S. § 126-34.1 as amended.

Petitioner's petition should be, and the same hereby is, DISMISSED FOR LACK OF JURISDICTION.

This is a Final Decision under the authority of G.S. § 150-B-36(c).

NOTICE

In order to appeal a Final Decision, the person seeking review must file a Petition in the Superior Court of Wake County or in the superior court of the county where the person resides. The Petition for Judicial Review must be filed within thirty (30) days after the person is served with a copy of the Final Decision. G.S. § 150B-46 describes the contents of the Petition and requires service of the Petition on all parties.

This the 11th day of March, 1996.

The North Carolina Administrative Code (NCAC) has four major subdivisions of rules. Two of these, titles and chapters, are mandatory. The major subdivision of the NCAC is the title. Each major department in the North Carolina executive branch of government has been assigned a title number. Titles are further broken down into chapters which shall be numerical in order. The other two, subchapters and sections are optional subdivisions to be used by agencies when appropriate.
